

Bethesda Premier Cup

Application to Use Guest Players

This application MUST be received by November 10th and be accompanied with a copy of your approved State roster (either USYSA or U.S. Club). Teams *requesting* to use guest players may have no more than the following players present at the tournament, whose numbers may include up to 3 guest players: U9, U10, U11, U12 (8 v 8) rosters with guest players cannot exceed 14; U12 (11 v 11) to U13 rosters cannot exceed 18. U14-U19 teams cannot have more than 22 players present at the tournament. Any team requesting the use of guest players will be required to submit those players in writing on this form and will **be subject to approval by the Tournament Director**. Please note that guest players are only approved based on a team in the tournament not having sufficient numbers to compete and will not be used as a way to drastically alter their tournament roster or as a vehicle for try-outs or recruitment. In addition, no player can be considered a guest player if their primary carded team is participating in the tournament. Please note that U9 through U11 players can participate on another team within their organization and not be considered a guest player. All forms should be considered approved unless you are contacted back by the Tournament Director.
